

SUPREME COURT OF INDIA

F.No. 9/SG/2015

Dated : April 20, 2015

C I R C U L A R

In order to overcome the difficulties being faced by the members of the Bar and the other visitors to the Supreme Court in having internet connectivity in the Supreme Court, as per directions, the matter was taken up with various service providers, including M/s Firefly Networks Limited, for providing wi-fi services.

It is hereby informed that a provision for wi-fi access for the members of the Bar and also for the visitors to the Supreme Court has been made in the Supreme Court and the said 24X7 service will be provided by M/s Firefly Networks Limited w.e.f. 20th April, 2015, 9.30 A.M. So far as charges payable towards the use of wi-fi services are concerned, the information will be provided by the said Service Provider online while accessing the wi-fi services in SC wi-fi zone.

Step-by-Step Guide for accessing WiFi service at Supreme Court WiFi Zone

Prepared By:
Computer (IT) Cell
Supreme Court of India

After enabling WiFi of the instrument (mobile/ tablet/ laptop), following Wifi names (SSIDs) would appear in the zone:

- (I) VFWiFiVoucher
- (II) Vodafone WiFi
- (III) Airtel Hangout

(a) Wifi service can be used by subscriber of any mobile service provider. The service can be used in SIM based as well as without SIM devices (wifi tablets/ laptops, using the One Time Password received on any mobile number given by the subscriber while accessing the service)

Option 1: VFWiFiVoucher

Step 1: Select VFWiFiVoucher SSID

Step 2: Upon opening a web browser and entering URL (website address) of any website, the user will be automatically redirected to VFWiFiVoucher login page.

Step 3: Choose a WiFi pack from the drop-down menu

Complimentary Wi-Fi pack can be used for a few days after the launch of the services which offers free trial usage for 20 minutes (upto 100 MB) per mobile number per day.

After consuming the Complimentary Wi-Fi pack, subscriber can purchase

other WiFi packs i.e. (i) Rs 20 for 30 minutes; (ii) Rs. 30 for 60 minutes; and (iii) Rs. 50 for 120 minutes. As assured by service provider, subscribers will shortly be provided with more options with daily, weekly and monthly packs.

Step 4: Enter your mobile number and click Generate Password

The screenshot shows a mobile browser interface at the URL <https://wifi.live.vodafone.in>. The page features the Vodafone logo at the top left. Below it, a message reads: "You wish to use a 30 Mins @ Rs 20 Pack. Please enter your mobile number to generate your password." There is a text input field labeled "Mobile Number" and a purple button labeled "Generate Password". At the bottom of the page, there is a decorative graphic showing various social media icons (LinkedIn, Twitter, Facebook, YouTube, WhatsApp, Messenger, Email) and a Wi-Fi symbol, all connected by a white line.

Step 5: Fill the Password from the SMS received on your Handset and Click Submit.

The screenshot shows the same mobile browser interface at the URL <https://wifi.live.vodafone.in>. The page features the Vodafone logo at the top left. Below it, a message reads: "Please enter the password sent on your mobile to purchase the Wi-Fi pack of your choice." There is a text input field labeled "Enter Password" and a purple button labeled "Submit".

Step 6: Choose the payment method

The payment can be made using any online payment method i.e. Netbanking, Credit Card and Debit Card.

Payment methods

A screenshot of a mobile browser displaying the BillDesk website. The address bar shows 'tps://www.billdesk.com/pg'. Below the address bar, there is a blue bar with the text 'Payment Amount: ₹ 20.00'. Underneath, there are five white buttons with rounded corners, each containing a payment method: 'Credit Card', 'Debit Card', 'Debit Card + ATM PIN', 'Internet Banking', and 'Wallet/ Cash Cards'.

Payment using Credit Card

A screenshot of the credit card payment interface in the BillDesk mobile app. At the top, it shows 'Payment Amount: ₹ 20.00'. Below this, there are two links: 'Pay by Credit Card' and 'AmEx ezeClick'. The main form area contains logos for VISA, MasterCard, American Express, and Debit Card. It has three sections: 'Card Number' with a text input field and a 'Clear All' button; 'Expiration Date' with 'Month' and 'Year' dropdowns and a 'CVV/ CVC' input field; and 'Card Holder Name' with a text input field. At the bottom, there is a large red 'Make Payment' button and a smaller 'Cancel' link.

Step 7: After choosing the payment method of your choice, you will be directed to the payment gateway and after making the payment, you will be logged in to the WiFi.

Option 2 : VodafoneWifi

Vodafone customers can use their existing 3G pack by selecting “VodafoneWiFi” SSID from the list of available networks and continue using the 3G pack allowance over the Vodafone Wi-Fi network.

Step 1: Choose VodafoneWiFi SSID

Step 2: Click on the notification “Sign into WiFi network”

Step 3: You will be automatically directed to Vodafone Login page

Step 4: Fill the Mobile Number and Click on Generate Password

Step 5: Fill the Password from the SMS received on your Handset and Click Sign In.

You are now connected to
VodafoneWiFi.

Option 3: Airtel Hangout

As assured by Airtel, its subscribers will be able to use Airtel Internet packs seamlessly with in 6-8 weeks' time using "Airtel Hangout" SSID.
