UPON hearing the counsel the Court made the following
O R D E R

It cannot be disputed that traffic problem in the metropolitan cities in the State of Gujarat is a very serious issue because of non-availability of public parking and even sufficient parking spaces in the malls and other markets. The citizens are compelled to park on the road. There is no uniform policy and/or guidelines and/or notifications issued by the State Government.

Mr. A.P. Mayee, learned counsel appearing for the State has submitted that a policy decision has been taken by the State Government to adopt the parking policy adopted by the Surat Municipal Corporation. There cannot be any different policy decisions for different Corporations. The Government has to come out with common guidelines or notifications under the Town Planning Act or under the General Development Control Regulations (GDCR).

As a last chance, put up on 14.09.2021.

In the meantime, the Government must come out with a policy which shall be binding on all the Corporations and to see to it that problem of parking/traffic is resolved. Counter Affidavits shall be filed by the Secretary, Home Department, Secretary, Urban Planning Department and Secretary, Transport before the next date of hearing.
