UPON hearing the counsel the Court made the following O R D E R

- Invoking the jurisdiction under Article 32 of the Constitution, the petitioner has sought a direction to the Union government to (i) take steps to constitute the Twenty Second Law Commission of India; and (ii) make the Law Commission a statutory body.
- 2 We have heard Mr Ashwini Kumar Upadhyay, in-person and Mr R Venkataramani, Attorney General for India.
- 3 The Attorney General states that the Twenty Second Law Commission has been constituted by two notifications dated 9 and 10 November 2022.
- 4 The petitioner, as noted above, also seeks a direction "to make Law Commission of India a statutory body". Such a direction would necessarily implicate a writ of mandamus being issued to Parliament in its legislative capacity. It is a settled position of law that a writ cannot be issued to Parliament to enact a law. This pertains exclusively to the legislative domain. Hence, we decline to entertain the Petition for the subsequent part of the relief as claimed.
- 5 The final relief which is claimed in the Petition is for the Law Commission to prepare a report in the matter of confiscating black money, benami properties and disproportionate assets.
- 6 Mr Ashwini Kumar Upadhyay states that the relief as sought in prayer (c) is not pressed since the petitioner would independently pursue his request before the Law Commission.

- 7 The Petition shall accordingly stand disposed of.
- 8 Pending applications, if any, stand disposed of.
